

SCARLET JEWELL MAPLE

Acer rubrum 'Bailcraig'

Height: 70' **Spread:** 30'

Location: Zone 3, moist, slightly acidic soil

Shape: Upright

Foliage: Dark green, deep crimson in fall

Notes: A full, upright Maple that turns a consistent deep crimson each fall, a full two weeks earlier than other rubrum Maples. A brilliant show of red flowers each spring adds to the allure. Excellent, symmetrical branching and resistance to frost cracking. Prefers moist, slightly acidic soil.
