

# SMOKEBUSH

*Cotinus coggygria*

## ROYAL PURPLE

**Height:** 8-10'                      **Spread:** 8-10'

**Location:** Zone 4, sun, drought tolerant, some winter dieback

**Shape:** Upright, spreading

**Foliage:** Velvety maroon-purple, dark purple in fall

**Notes:** Panicles of beige flowers in mid-summer. May experience winter injury, but recovers quickly to make a fine plant each year. Xeriscape plant.
