## CHICAGOLAND GREEN

**Height:** 2-3'      **Spread:** 3'

**Location:** Zone 4, sun to part shade, adaptable

**Shape:** Mounded

**Foliage:** Glossy dark green

**Notes:** Know for its cold hardiness and good winter color. Has a uniform oval-rounded growth habit.

## GREEN MOUNTAIN

**Height:** 5'      **Spread:** 4'

**Location:** Zone 5, sun to part shade

**Shape:** Dense, compact, upright

**Foliage:** Bright green, gold in winter

**Notes:** Dense upright form with bright green leaves that retain their color through winter. Natural cone-shaped form if left unsheared, excellent hedge.
