

ALLIUM (ORNAMENTAL ONION)

Location: Zone 4, sun to part shade, drought tolerant

Shape: Mounded clump

Foliage: Silver-blue to blue-green, swirly

Flowers: Mid to late summer

Notes: This plant's silver-blue leaves swirl like a cowlick. It produces flowers that are lollipop-shaped, pink or violet with bright yellow accents and about 24 inches tall.

Glaucum

H: 18-32" **W:** 6-12"
